

KEY CLUB

5/23/13

Dear Division 4 Key Clubbers,

Thank you for taking time out of your busy schedules to attend tonight's divisional. I know it is not easy with many either taking finals now or preparing for finals. In addition to what we will be discussing tonight and the information in your packets, I just want to remind clubs about paperwork deadlines:

Monthly Report Forms: Due on the 7th of each month

Election Report Forms: Past due. Please send them in as soon as possible

Lieutenant Governor Evaluation Form: Due by the end of each month.

Your important links page contains a link to all of these forms. Thank you for your continued support and cooperation. Your hard work and dedication makes me proud to be your lieutenant governor.

Yours in Service,

Michael Rovner

SERVE

Since its inception in 1925, members of Key Club International have provided countless hours of service to their homes, schools and communities.

Every Key Club has the authority to select its own service projects because usually there are many more service needs in a community than there are service clubs and agencies to meet them. However, all Key Clubs are asked to participate in the Major Emphasis: "Children: Their Future, Our Focus."

Key Club's Major Emphasis "Children: Their Future, Our Focus"

In 1946, Key Club International challenged all Key Clubs and members to focus energies on making an international impact. This program still is followed today through the Major Emphasis: "Children: Their Future, Our Focus."

To fulfill the mission of the Major Emphasis, Key Club International serves children in many ways. Members participate in the hands-on service initiative, currently The Eliminate Project, and fundraise for Key Club International's partner organizations: Children's Miracle Network, March of Dimes and UNICEF.

Dive in to find information on popular service projects, as well as resources, support materials and how-to guides to help pull them off.

Need service project ideas? Download our service project directory, filled with ideas for hands-on and fundraising service opportunities. Projects are divided into levels of difficulty, easy, moderate, and difficult, to help you get started with whatever type of project you are interested in tackling. Don't shy away from harder projects, as the planning and execution effort intensifies, so do the rewards!
